

El mundo... al revés

El rojo

El verde

El blanco

El violeta

El gris

El azul

El marrón

El naranja

El amarillo

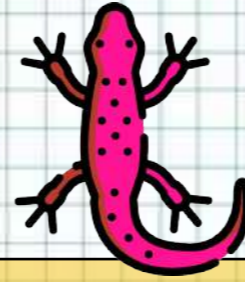

El negro

El beige

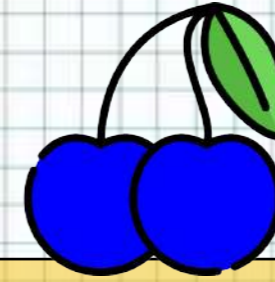

El rosa

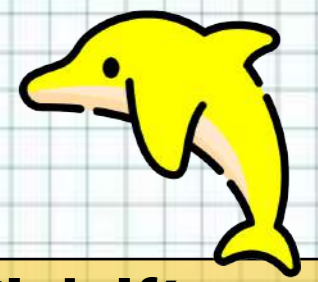

Los rayos del sol son...

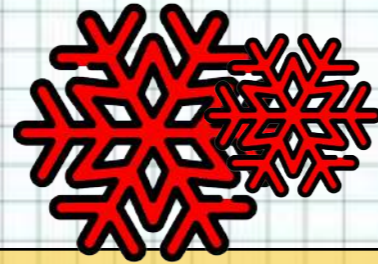

La salamandra es...

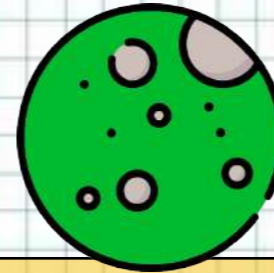

Las cerezas son...

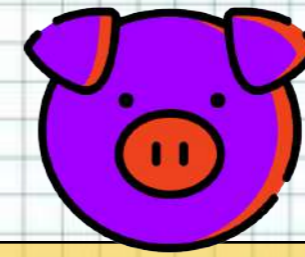

El delfín es...

Los copos de nieve son...

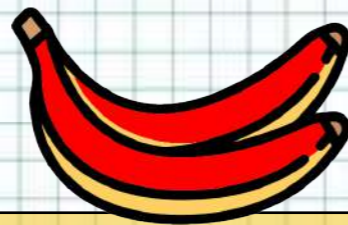

La Luna es...

El cerdo es...

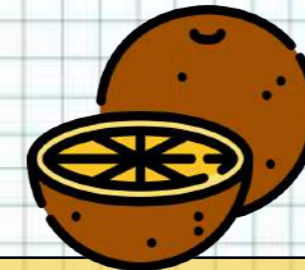

La pupila del ojo es...

Los plátanos son...

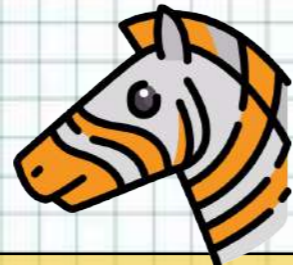

Los troncos son...

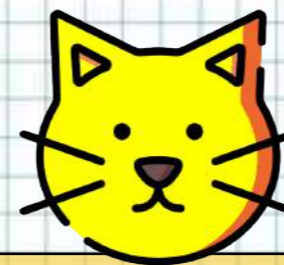

Las naranjas son...

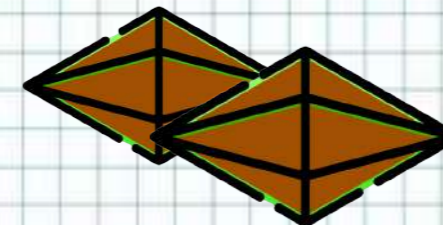

La melena del león es...

Las rayas de la cebra son...

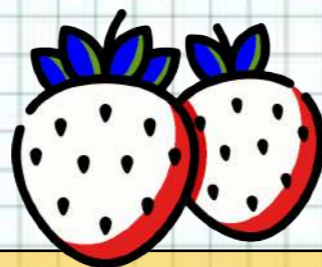

El pelo del gato es...

Las esmeraldas son...

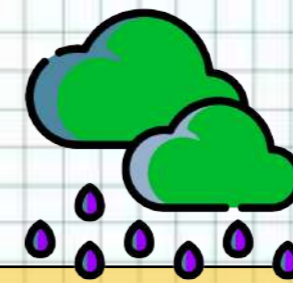

Las hojas son...

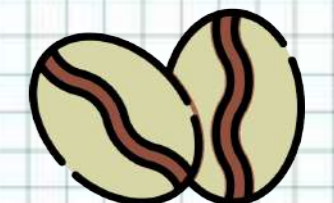

La piel de las fresas es...

El arco iris es...

Las nubes son...

Los granos de café son...
